

St. Joseph's RC Primary School

"I came so that you may have life, and have it to the full." – John 10:10

Pupil Premium Impact Statement 2019 – 2020

Due to COVID, formal national curriculum assessments did not take place. There was no requirement from the DfE to conduct teacher assessments. We predicted assessments of how we thought the children would have performed, had end of key stage SAT's been completed. These were based on evidence gathered from end of Autumn assessments, Spring assessments, work completed in books and teachers knowledge of the children.

End KS2: teacher assessments

Subject	Achieved the Expected Standard
Reading	69%
Writing	77%
Maths	62%
