Looking back
over this school
year I feel that
the children
have certainly
lived life to the
full with the
variety of trips,
visitors and
opportunities.

*"I came so that
you may have
life and have it
to the full."*

JOHN 10:10

Thank you for your continued support and we
hope that you all have a wonderful summer
holiday.

What Has Been Happening In Class This Week

Nursery

What a wonderful year we have had in nursery. The children have made so much progress, and we have learned so many new skills. We played, baked, painted, counted, listened to stories, learned new nursery rhymes, started our phonics journey, played musical instruments, made lots of new friends and laughed all year. The children have loved all the topics we have covered and all the stories we have read. They have made an amazing start to their school journey and myself and Miss Matthews have loved every minute of it. We wish you all a lovely summer holiday.

Reception

Just like that Reception have finished the year. We have made many unforgettable memories throughout our time here. The children have been amazing artists, wonderful writers and marvellous mathematicians. The staff in reception will truly miss every child and we wish them the best of luck on their journey into Year 1.

Year 1

What a fantastic year it has been—our Year 1 children have grown in confidence, curiosity, and independence, and we are so proud of all they have achieved!

Year 2

Year 2 have had the best last week of the year! We started off the week with our DT day, designing and creating healthy wraps and the children had such fun chopping, grating and spreading the different ingredients. On Wednesday we had our amazing castle party and took part in jester school, a dragon hunt, shield wall training, medieval banquet and dancing! Every child should be so proud of how hard they have worked and how far they have come this year, we will miss you all! From Miss Wilson and Mrs Ormrod.

Year 3

The final week in Y3 has shown how much the children have developed and matured. They had a fantastic trip to Ordsall Hall on Monday, finished their cross-stitch bookmarks, made some Benin masks, completed moving on activities and have generally impressed us with their super attitudes. We wish them lots of luck in Year 4.

Year 4

As we reach the end of a fantastic Year 4, Mrs. Afolabi and I, would like to thank all our children and families for their support throughout a year filled with learning, growth, and wonderful achievements. It has been a pleasure to watch the children develop in confidence and independence, and I wish you all a happy, relaxing, and well-deserved summer break.

Year 5

What a fantastic last week we have had in Year 5 finishing off all of our topics and enjoying our final days of the year. You have worked hard and been a pleasure to teach. Well done Year 5!

Year 6

We can't believe how fast year has gone! It has been a great year and the children should all be very proud of themselves. Thank you for all your support throughout their time at St Joseph's. Good luck on the next chapter in your lives.

School Reopens

Thursday 3rd

September

We wish our Year 6 the best of luck and success for the future!
